

## **Aim for the Club**

'We aim to provide a high quality service which meets the needs of working parents and those in higher education or training, and in which children are welcomed, valued and respected, feeling happy, secure and involved. We will promote the dignity, privacy, choice, safety and diversity of all users and staff.'

## **Aim for the Staff**

'To provide a warm, welcoming work environment where staff are valued and respected as individuals. We aim to provide relevant training and support to staff and to encourage a team approach to work.'

Meeting this aim will be the responsibility of all staff, under the supervision of senior staff members.

## **Objectives**

- 1. To provide a high quality childcare for all of our members by ensuring staff have the required qualifications and the management supports continual professional development of staff**
2. To ensure our children play in a safe environment and will therefore ensure the Club adheres to all Health, Safety and Protection Policies.
3. We wish to maintain high standards of behaviour for our children including displaying good manners – towards staff and each other, by keeping our parents well informed and telling them immediately about any incidents of bad behaviour or accidents
